Dear Mr. Shabbas:

It is with a great pleasure to be able to donate one-hundred thousand dollars (\$100,000.00) from Assyrians for Education, a non-profit organization to Assyrian Aid Society of America. This money is to be used by the Assyrian Aid Society for Educational Purposes (including building new educational facilities) for Assyrians in Northern Iraq. Since this money was generated from the sale of a three parcel land previously donated to Assyrians for Education by Continental General Tire, Inc., we request that a gold-plated placard to be made and placed at one of the Assyrian Educational Facilities in Iraq. The placard shall read: "Donated by Continental General Tire, Inc., via Assyrians for Education."

Once the placard has been placed, we request that a photo of the placard to be emailed to Assyrians for Education at [private email address withheld].

We appreciate your efforts and wish you success. We hope that through education, Assyrians will continue making a positive impact in Iraq and in the world.

Respectfully yours,
Assyrians for Education
